

Building A

An Overview of GaragePoint Buildings and Their Unique Offerings

Building A will feature nine Storefront units with extra parking, A/C and plumbing rough-ins. Each of these units will have a rear 14'w x 14'h overhead door & man door.

Buildings B and C will have units referred to as L-Shaped. These will have 2 overhead doors & >1300 sf.

Building D will have 61' deep pull-through units & 30' deep spaces. The clubhouse is located here, too.

Buildings E and F will provide generous storage for car collections, RVs, and other owners' 'toys.' Windows in the rear of these units will provide spectacular open space views.
